## FEDE new LIGHTING collections: SWITCH & LIGHT

Lighting inspired by the natural beauty of Tuscany continues to be manufactured by present-day FEDE master craftsmen who take pride in creating unique Tuscany decor lighting and switch plates.

Firenze, Siena, Lucca, Chianti, Pisa and Prato are the new FEDE TOSCANA Lighting collections. In addition, we have created two new lighting fixtures for our prestigious SAN SEBASTIAN switch collection to ensure the perfect combination, from wall to ceiling, dressing the house with same style.

Our exclusive finishes are: bright patina, bright gold, bright chrome and our new white patina made in bright gold. All switch plates are made of real brass to the highest level of craftsmanship.

It makes design sense to use the same decorative styles for switch plate and lighting fixtures. SWITCH & LIGHT is a new concept that unifies switching and lighting, created by FEDE.
