## COMPOSIZIONI MULTIPLE

Il rosone multiplo consente di connettere sino a 9 sospensioni - moltiplicabili a piacere con l'utilizzo di più rosoni - per creare composizioni dal fascino esclusivo. Incanti di luce destinati ai grandi spazi e agli ambienti di prestigio, liberamente modulabili secondo le esigenze, in un perfetto connubio tra stile e funzionalità.

## MULTIPLE ARRANGEMENTS

The multiple ceiling rose allows up to 9 hanging lights to be connected and can be multiplied as desired by using several ceiling roses to create charming, exclusive arrangements. These captivating modular light fittings designed for large spaces and prestigious environments can be freely mixed and matched according to requirements to create a perfect combination between style and functionality.
